Hiroshima Nagasaki NEVER AGAIN!

**NO TO NUCLEAR WEAPONS! NO TO WAR!
NO TO WAR PROFITEERS!

62 years after the U.S. dropped atomic bombs on Hiroshima and Nagasaki, we find ourselves still "in the shadow of the bomb." Join us for a **CANDLELIGHT VIGIL** to commemorate the 62nd anniversary of the bombings of Hiroshima and Nagasaki and to call for the global abolition of nuclear weapons.

Gather in front of the Midway Carrier Museum on Harbor Drive (one block south of Broadway) at 6 p.m. for bannerling; program at 6:30 p.m. followed by a candlelight procession on the Embarcadero.

Speakers include representatives from the Network of Spiritual Progressives and Veterans for Peace.
Music by Peggy Watson
Please bring candles.
